# Clothes Dryer Transition Duct

## Key Features and Product Specifications

### Advantages

- Easy to install boxed universal flexible dryer duct.
- Fire resistant, heavy duty 4-ply aluminum foil laminate construction.
- Fits most commonly used electric and gas dryers.
- Fits in tight places where rigid metal ducting will not work.
- Close wire frame spacing allows tight bends without collapsing.
- Meets all the requirements of UL 2158A.

## Performance Data as Required by UL 2158A

- Proven Corrosion Resistant Construction
- Flame Spread as Per UL 723 Testing of Less than 25
- Complies with Stringent Fire Resistance Testing
- Stands Up to Repeated Bending
- Undamaged as a Result of Specified Impacts
- Strong in Tension
- Resists Damage Caused by Twisting

### Product Specifications

| DIAMETERS   | BOXED LENGTHS |

|   | 50            |

Note: Boxed products sold above 8 feet in length are never allowed to display the UL listing.

**WARRANTIES:** The supplier represents and warrants the products sold for five (5) years against defects in material and workmanship, provided that no such product is installed in a location exposed to direct or indirect light or on the high-pressure side of variable air-volume (VAV) systems. The supplier further warrants that the products comply with all laws and regulations governing the acceptable levels of hazardous and/or toxic materials contained in such products, that the Seller has all rights and authorizations to sell such products and that neither the products, nor the sale of such products by the supplier to Interline Brands or its customers will infringe on the rights of any third party.

**THIS WARRANTY IS EXCLUSIVE. IT IS PROVIDED IN LIEU OF ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.**

As the supplier's sole obligation, and Interline Brands' exclusive remedy, for any defect covered by this warranty, the supplier will replace any defective products. The supplier will not be responsible for any labor charges or other costs of either deinstallation of any defective products or installation of any replacement products.

**FURTHER, THE SUPPLIER SHALL IN NO EVENT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH DEFECTIVE PRODUCTS, INCLUDING THOSE CAUSED BY ANY DELAY IN REPLACING THE SAME.**
